

# Futures Thinking Teachers Pack

Futures Game cards

**Create an environmentally sustainable school**

**Create a world in which the power of volcanos must be harnessed to run super-fast planes and boats**

**Ensure all children are happy and healthy**

**Enable a large, global, fast-food or clothing company to run schools**

**Create conditions that mean schools must travel**

**Ensure a dying species is rescued from extinction**

**Create a zero-carbon community  
(school, home, shops etc)**

**Create a world in which people  
over the age of 60 have to go to  
school**

**Ensure no one uses more water  
than they need**

**Create a world in which there are  
no countries**

**Create conditions under which  
there is no air travel the world over**

**Make farming the nation's favourite  
volunteering activity**

**Create a school that can survive  
mass flooding**

**Create conditions under which  
there is no longer any money and  
people trade in skills and goods**

**Create conditions for schools to be  
abolished**
