Pre-assessment Checklist

Are you assessment ready?

- ☑ Read the 'Getting Assessment Ready' guide

- ☑ Download the pre-assessment checklist

- ☐ Integrate assessment carefully into planning for the school year (particularly formal assessments)

- ☐ Feed information gained through assessment of previous cohorts back into curriculum planning

- ☐ Ensure that the assessment used will provide the required data

- ☐ Plan how your assessment data will be analysed

- ☐ Plan how your assessment data will be stored

- ☐ Plan how data will be shared with different audiences

- ☐ Research the right, robust assessments for your school

- ☐ Ensure that tests enable you to accurately monitor progress and attainment

- ☐ Study our list of key questions to ask before purchasing standardised tests

- ☐ Define any required and appropriate access arrangements

- ☐ Make sure to follow a consistent approach to administering tests

- ☐ Integrate test familiarity into teaching to help pupils feel comfortable with tests.
